

**LENNOX**  
Innovation never felt so good.®

*all-around warmth*

**COWB3**

Standard-  
efficiency,  
oil-fired  
water boiler

# Comfort so warm and reliable, you won't mind a long winter.

When you have a boiler as dependable as the Lennox® COWB3, you can relax knowing you'll be wrapped in warm comfort on even the coldest days. Built with the finest quality components, including a Beckett® oil burner and a durable cast iron heat exchanger, the COWB3 delivers quiet, efficient performance throughout the season, year after year.

## Increased efficiency means lower utility bills

With efficiency ratings of up to 85.2% AFUE, the COWB3 offers significant energy savings compared to an older boiler. That means you can set your thermostat at a level that's perfectly warm and comfortable, while still enjoying utility savings.

## Tested, proven and ready to work for you

Each unit is thoroughly tested and inspected before leaving the factory to ensure dependable performance. A 20-year limited warranty on the heat exchanger and a 5-year limited warranty on covered parts\* provide additional peace of mind.

## COWB3 Specifications

Model	COWB3-3	COWB3-4	COWB3-5
<b>Heating Efficiency (AFUE)</b>			
Low Fire	85.2%	85%	84.3%
High Fire	84%	84%	---
<b>Dimensions</b>			
HxWxD (in)	36 x 20-1/2 x 28-1/4	36 x 20-1/2 x 31-1/2	36 x 20-1/2 x 34-3/4
HxWxD (mm)	915 x 521 x 718	915 x 521 x 800	915 x 521 x 883

**Note:** Due to Lennox' ongoing commitment to quality, all specifications, ratings and dimensions are subject to change without notice.

## Source of hot water for sinks and showers

For the ultimate in heating efficiency and practicality, the COWB3 offers an optional tankless coil that can provide hot water for your household needs. The hot water created in the boiler to warm rooms can also be supplied as needed to sink faucets, showers, baths and washing machines—all at virtually no cost throughout the winter months.

## Built for reliable comfort, season after season

Each feature of the COWB3 boiler is designed to provide years of quiet, efficient warmth.

- **Domestic Hot Water Coil** – Optional tankless coil provides hot water for virtually no cost throughout the colder months.
- **Beckett® Oil Burner** – Sets the standard for reliable, fuel-efficient heating.
- **Sealed Combustion Design** – Enhances burner efficiency and delivers quieter operation.
- **Cast Iron Heat Exchanger** – Designed for years of long-lasting reliability over a range of water flow rates.
- **Swing-Out Burner Door** – Provides complete, easy access for boiler cleaning and maintenance.

\*Covered components may be eligible to receive a 10-year limited warranty. Online equipment registration at [www.lennoxregistration.com](http://www.lennoxregistration.com) is required within 60 days of installation (except in California and Quebec) or Lennox' base warranty will apply. Applies to residential applications only. See actual warranty certificate for details.
